# TEXTILE

For the artist in you.

## Create something special!

Give your accessories or clothes a new look by decorating them with Textile paint. Create an individual clothing style by, pimping your jacket, jeans or T-shirt. Or freshen up your interior by decorating cushions, curtains or other textile objects such as bags and pouches, storage bags with textile paint. Give your imagination free rein and let loose your creativity.

Talens Art Creation Textile is available in 2 versions. Textile is suitable for light-coloured fabrics (at least 50% cotton). Textile opaque is an opaque textile paint suitable for dark-coloured fabrics (at least 50% cotton). Before use, wash the fabric without fabric softener and allow to dry. Then decorate it with Talens Art Creation Textile or Textile opaque. Use a (flat) brush or decorate the fabric with masks or stencils, using a sponge stick or stencilling brush.

**TIP:** Before decorating a T-shirt or cushion, place a cardboard sheet between the front and back side. This prevents the paint from bleeding through to the back.

The drying time of the textile paint is approx. 30 minutes. Once dry, you can fix the fabric, so that it is suitable for the washing machine up to 40 °C and the dryer. Cover the decorated fabric with greaseproof paper and iron for 5 minutes.
